

Llanthony Secunda Priory – Project Manager

The Llanthony Secunda Priory Trust has appointed Dr Edwina Bell as the Project Manager for the Llanthony Re-formation Project, funded by the Heritage Lottery Fund with effect from 1st May 2014.

The next 18 months will see the development of an exciting programme at Llanthony which will not only repair and conserve the Priory buildings, but also develop the site as a community and learning resource, as part of Gloucester's rich heritage.

Edwina, who lives in the Forest of Dean, brings a wealth of experience from her previous work, most recently with HLF projects at Rochester Cathedral. On her appointment she commented

"I am delighted to have the opportunity to get involved in this key part of Gloucester's Heritage and its contribution to the regeneration of the city. I look forward to working with such a committed Trust, and with people of Gloucester."

Jeremy Williamson, Chairman of the Llanthony Trust, said "We are pleased to welcome Edwina to Llanthony Secunda. She will be a key player in the next phase of Llanthony's development and plans for the future"
